LABOR AGREEMENT

This AGREEMENT is entered into the ____ day of _____, 2011 between LOCAL UNION NO. 469, affiliated with INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS, WAREHOUSEMEN AND HELPERS OF AMERICA, hereinafter referred to as the "**UNION**" and the BOROUGH OF FLORHAM PARK, N. J., hereinafter referred to as the "**BOROUGH**".

The effective date of this Agreement is _____, 2011. The Borough and the Union agree as follows:

ARTICLE I

RECOGNITION

Section 1

The Borough recognizes the Union as the exclusive representative for the purposes of collective bargaining with respect to rates of pay, hours of employment, benefits and other conditions of employment for all employees in the Public Works Department and the Water and Sewer Utilities, excepting the Supervisors and Office Clerical and other members of Borough management.

Section 2

For purposes of this agreement the term employee or employees shall mean a member or members of the bargaining unit as set forth in Section (1) of this article.

ARTICLE II

AGENCY SHOP

Section 1

Purpose of Fee: If an employee covered by this Agreement does not become a member of Local 469 during any membership year (i.e. from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Local for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Local as majority representative.

Section 2

Amount of Fee

a. Notification:

Prior to the beginning of each membership year, Local 469 will notify the Borough in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Local to its own members for that membership year. The representation fee to be paid by nonmembers will be equal to 85% of that amount.

b. Legal Maximum:

In order to adequately offset the per capita cost of services rendered by Local 469 as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Local to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law.

Section 3

Deduction and Transmission of Fee

a. Notification:

Once during each membership year covered in whole or in part by this Agreement, Local # 866 will submit to the Borough a list of those employees who have not become members of the Local for the then current membership year. The Borough will deduct from the salaries of such employees, in accordance with paragraph "b" below, the full amount of the representation fee and promptly will transmit the amount so deducted to Local #469.

b. Employment:

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Borough will submit to Local #469 a list of all employees who either began or terminated their employment in a bargaining unit position during the preceding 30-day period. The list will include names, addresses, job titles, social security numbers, rate of pay and dates of employment for all such employees. Temporary and part-time employees are exempt from payment of the representation fee and change in employment or termination of employment need not be reported.

ARTICLE III

CHECK - OFF

The Borough agrees that it will, on the first payroll of each month, deduct the Union dues/representation fee from the pay of each employee for whom the Union has supplied, in accordance with law, a written statement signed by the employee authorizing these deductions. The Borough further agrees that it will transmit such dues/fees along with a list of those employees from whom deductions were made to the Secretary-Treasurer of Local #469 within 10 days after the dues are deducted.

After an employee has been employed for 125 working days, the Borough agrees to deduct the Union initiation fee in four (4) consecutive payments and to transmit such deductions as set forth above.

The union will furnish the Borough a written statement of the dues and initiation fees to be deducted.

ARTICLE IV

PROBATIONARY PERIOD

All newly hired employees shall serve a probationary period of 125 working days. During this probationary period the Borough reserves the right to terminate a probationary employee for any reason. Such terminated employees shall not have recourse through the Grievance and Arbitration provisions of this Agreement.

ARTICLE V

SENIORITY

Seniority shall mean a total of all periods of employment within classifications covered by this Agreement.

An employee shall lose seniority rights only for any one of the following reasons:

- a. Voluntary Resignation.
- b. Discharge for just cause.
- c. Failure to return to work within the prescribed period upon recall as provided in the layoff and recall provisions of this Agreement.

d. Continuous layoff beyond recall period for re-employment outlined elsewhere in this Agreement.

ARTICLE VI

NOTIFICATION TO THE UNION

The Borough will notify the Union in writing of all promotions, transfers, suspensions and discharges.

The Borough will notify the Union in writing prior to a layoff.

ARTICLE VII

PROMOTIONS AND DEMOTIONS

Section 1

The Borough agrees to give preference to employees within the bargaining unit when filling all job vacancies before hiring new employees provided that among employees then in the bargaining unit there are an adequate number who are physically and otherwise qualified to learn the work associated with such vacancies and they are willing to do so.

Section 2

The Borough shall post all job vacancies. The Borough shall post a notice stating the name of the job classification, location of assignment and requirements. In addition, the notice shall invite bids from employees. This notice shall remain posted on all bulletin boards for five (5) working days. However, the posting period shall not be considered closed until all employees have been notified of the vacancy.

Section 3

Employees have the right to bid laterally. A lateral transfer shall be awarded to the most senior employee who bids for the job, provided that he has the physical and other qualifications necessary to fill it.

Section 4

When selecting the employee for promotion from among those employees who have bid on a job promotion, the most senior employee shall be awarded the promotion unless he does not have the

qualifications to fill the job. In the event that the most senior employee is not qualified, the next most senior employee shall be considered for the position under the same conditions as stated above.

Section 5

The successful bidder shall receive a trial period of ninety (90) days on the new assignment. Such employee shall be compensated at the rate of pay of the new classification.

The Union and the employee will be kept advised of the progress made in learning the new assignment. If during the trial period and after having been given the necessary constructive guidance and assistance necessary to learn the duties associated with the new position the employee fails to successfully meet these requirements, such employee shall be returned to the classification formerly held and shall assume seniority and pay as though the old classification was never vacated.

In the event a surplus exists in a particular classification, employees with the least lower classification seniority shall be demoted to the next lower classification. Such demoted employees shall be maintained at their old rate for a period of four (4) weeks before being reduced to the rate of pay of the classification demoted to

Section 6

When an employee is promoted from a lower rated job to a higher rated job, he shall be placed in the lowest step of the higher rated job that will provide at least a 5% increase in base wages.

ARTICLE VIII

CONTRACTING

The Borough reserves the right to continue contracting all types of work which it has normally been contracting in the past and to contract certain types of work which may arise in the future. In the latter case the Borough agrees to notify the Union in advance of such proposed contracting.

The Borough may contract work only if the following conditions are met:

- a. There are no employees on layoff with unexpired recall rights who are qualified to perform the work which will be sub-contracted.
- b. No employees will be laid off during the period of the work being contracted.

c. The work cannot be done by the existing employees within the time such work is required to be completed.

ARTICLE IX

SUSPENSION OR REVOCATION OF LICENSE

In the event that an employee loses the use of his New Jersey Driver's License, the Borough will, when possible, endeavor to continue his employment during the period of suspension or revocation. All employees will comply with the Federally Mandated Anti-Drug/Alcohol Plan 49CRF, Parts 40, 199 and 352, which the Borough has adopted by Ordinance

ARTICLE X

LAYOFF AND RECALL

The Borough may reduce the working force due to lack of work from any cause including budgetary constraints. In such case, the following procedure shall apply.

a. Employees shall be laid off in the order of least total seniority, regardless of classification, provided those employees remaining are capable of doing the work which must be performed. In cases where they are not capable of doing the work available, less senior persons who are capable of doing it will be retained.

b. Notice of such layoffs will be given at least 45 days before the scheduled layoff.

c. A laid-off employee shall have preference for re-employment for a period of eighteen months.

d. The Borough shall rehire laid off employees in the order of greatest employment seniority provided that those who would be rehired on that basis are capable of performing the work available.

e. Notice of re-employment availability shall be sent to a laid off employee by registered or certified mail to the last known address of such employee. The employee must respond within seven (7) workdays of his intent to return to work or it will be assumed that he does not desire re-employment.

ARTICLE XI

SEPARATION FROM EMPLOYMENT

Upon discharge the Borough shall immediately pay all monies, including earned unused vacation pay, due the employee.

Upon quitting, the Borough shall pay all monies due to the employee including earned unused vacation pay, on the payday following the resignation.

The job steward or alternate has no authority to take strike action, or any other action interrupting the Borough's business.

The Borough recognizes these limitations upon the authority of the job steward and alternate, and shall not hold the Union liable for any unauthorized acts. The Borough in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the job steward has taken unauthorized strike action, slowdown, or work stoppage in violation of this Agreement.

The job steward or alternate shall be permitted to investigate, present and process grievances on or off the property of the Borough provided that during his working hours the job steward or alternate shall obtain permission from his supervisor before conducting such activity.

Before a steward or alternate may officially act in such capacity the Union must notify the Borough in writing of his appointment.

ARTICLE XIII

INSPECTION PRIVILEGES

ARTICLE XIV

GRIEVANCE PROCEDURE AND ARBITRATION

Section 1

Step 4

The Mayor and Council shall submit to the Union in writing a final statement on its position.

Arbitration procedures must be initiated by the Union within ten (10) days after the Mayor and Council have submitted its written answer or the case shall be considered closed.

Section 3

If no satisfactory settlement can be agreed upon, the matter may be referred to the New Jersey State Mediation and Conciliation Service for the selection of an arbitrator. After the Service submits a list of Arbitrators to the Union and the Employer, each shall reply with its preferred selection no later than five (5) working days after receipt of such list.

The Arbitrator shall not have the authority to amend or modify this Agreement or establish new terms or conditions under this Agreement. The Arbitrator shall determine any question of arbitrability.

A mutual settlement of the grievance pursuant to the procedures set forth herein and/or a decision of the Arbitrator will be final and binding on all parties involved.

The expense of the Arbitrator selected or appointed shall be borne equally by the Employer and the Union.

The decision of the Arbitrator shall not be considered a precedent for future interpretation of the provisions of this Agreement.

ARTICLE XV

DISCHARGE OR SUSPENSION

Section 1

The Borough shall not discharge nor suspend any employee after completion of the probationary period as defined in Article IV without just cause. In all cases involving the discharge or suspension of any employee, the Borough will notify the employee in writing of his discharge or suspension and the reason therefore. Such written notice shall also be given to the Shop Steward, and a copy mailed to the Local Union Office, within one (1) working day from the day of the discharge or suspension.

Unless the circumstances of the case make it unwise or impractical to do so, before an employee is discharged, there shall be a written notice to the Union stating the reason(s) for the intended

discharge. As soon thereafter as it is practicable to do so a conference shall be held between the Union and the Borough for the purpose of reviewing the matter.

Section 2

Notice of appeal from discharge or suspension must be made to the Borough in writing within ten (10) days from the date of discharge and/or suspension. The appeal shall be heard beginning with Step 3 of the Grievance and Arbitration provisions of this Agreement.

Should it be proven that an injustice has been done a discharged or suspended employee, he shall be fully reinstated in his position and compensated at his usual rate of pay for lost work opportunity.

ARTICLE XVI

HOURS OF WORK

Section 1

The basic workweek for all employees hired prior to January 1, 2008, shall consist of a total of forty (40) hours within a five (5) day period, Monday through Friday. Section 3

Scheduled hours of work at the time of the signing of this Agreement are:
7:00 AM to 3:30 PM (All employees).

Section 4

Employees will be requested to work overtime when necessary. The Borough will make a reasonable effort to excuse employees who have personal commitments, however this will not reduce the employee's obligation to work overtime when assigned.

Section 5

Employees working at least four (4) hours overtime shall be entitled to a meal allowance of \$20.00. Should overtime requirements in any single instance extend to an additional (8) hours beyond

the initial four (4) hour period, employees will be entitled to receive a second meal allowance of \$20.00. Should conditions warrant, and at the discretion of the Director of Public Works, meal allowances may be made as direct cash payments to employees.

Section 6

Employees shall be allowed a paid 15-minute break once during each four (4) hour period.

Section 7

The employer agrees to guarantee an employee called in to work outside of his regular work schedule a minimum of four (4) hours work or pay in lieu thereof. This provision is not applicable if an employee is called in to begin his regular work shift at a time earlier than his regular starting time.

ARTICLE XVII

PREMIUM PAY

Employees shall receive premium pay in accordance with the following schedule:

1. 1 1/2 times the straight time hourly rate for all hours worked in excess of eight (8) in any calendar day.
2. 1 1/2 times the regular straight time hourly rate for all hours worked on Saturday (unless scheduled to work Tuesday through Saturday shift).
3. Double the regular straight time hourly rate for all hours worked on Sunday.
4. Double the regular straight time hourly rate for all hours worked on one of the holidays set forth in this Agreement plus regular straight time pay.
5. Any employee required to work on Sunday or on one of the holidays allowed in this Agreement shall receive a minimum of four (4) hours pay at double time as minimum pay for the call out.

Opportunity to earn premium pay shall be rotated with the intention to achieve equalization of premium pay earnings within each class of work, provided the employee is qualified to perform the overtime assignment.

Compensatory time in lieu of premium pay may be taken upon the following conditions:

1. Employees must declare by the 1st day of each calendar quarter (January 1, April 1, July 1, and October 1) whether they prefer to receive premium pay or compensatory time for

that quarter; if no declaration is made by the employee the employee will receive premium pay.

2. Compensatory time off will be scheduled by management in accordance with the Department's current policy for scheduling time off and based on the principle that all employees will be permitted to use the time off within a reasonable period after making the request as long as it does not unduly disrupt the operations of the Department.
3. Compensatory time may accumulate and be carried over into succeeding calendar years up to a total of 40 hours. Any hours earned over 40 will be compensated by premium pay.

ARTICLE XVIII

WORK BY SUPERVISORS

Section 3

Emergency conditions may require the performance by management employees of any type work required by the occasion if all practicable means of meeting the situation have been exhausted.

Section 4

Section 1 shall not apply in those cases where a supervisor is assigned to do bargaining unit work for his training on a project involving new developments or major changeovers or in a case where a supervisor is giving training or instruction to a bargaining unit employee. Under such conditions, no reduction in the normal assignment of bargaining unit employees will be made as a result.

The Borough reserves the right to require an examination by its own doctor.
- b. Injury Leave: Excused absence granted by reason of injury sustained on the job, which is not the result of the employee's misconduct. Self-inflicted injury is not excusable.
- c. Loss of time benefit; Compensation payable after the first month of excused absence or after accumulated sick leave is exhausted, whichever occurs first, but in no case less than fifteen working days after the excused absence began. It is credited to employees after the beginning of their second year of employment with the Borough.
- d. Sick Leave: Excused absence granted by reason of illness or injury; provided such illness or injury is reported to management within 24 hours of its occurrence; it also includes absence due to death or serious illness in employee's immediate family (parents, wife or children) such that the employee's presence is required to alleviate hardship. Self-inflicted injury is not excusable.

Section 2

Calculation and Accumulation:

- a. Each person covered by this Agreement shall accumulate sick leave at a rate of one day for each month of employment of a maximum of 11 months, or major part thereof. The total maximum accumulation of sick leave shall be 150 days.
- b. Injury Leave - Each employee covered by this Agreement shall have available to him a maximum of 60 working days.

c. Each employee covered by this agreement shall earn loss of time benefits at the rate of 2 months for every year of employment after the first year, which benefits shall be in addition to sick leave accumulation. Such loss of time benefit may be accumulated to a maximum of 1 year.

Section 3

Payments

a. To the extent that sick leave and loss of time benefits have accumulated, they will be paid to employees for excused absences due to illness or injury, provided that where worker's compensation payments are received, the leave and loss of time benefits will be adjusted so that total compensation from both sources is equal to sick leave or loss of time entitlement. Worker's compensation payments from both sources will equal the injury leave entitlement.

b. An employee whose absence is not excused will forfeit an equal amount of vacation time or if he has no accumulated vacation time, he will not be paid for such absence.

c. Sick and injury leave are compensable at full pay for the total number of accumulated days. Loss of time benefit is two-thirds of the employee's pay, or two hundred fifty dollars (\$250.00) per week, whichever is lesser for the total number of accumulated days.

d. Payments will be made for injury leave, sick leave and loss of time benefit in that order.
Example: An employee entitled to injury leave will be paid up to sixty days; then his sick leave entitlement may be used until exhausted; thereafter he would receive his loss of time benefits.

e. 1) In the event that an employee with at least five years service retires, is permanently laid off, or voluntarily leaves the service of the Borough after having given appropriate notice of his intention to do so, he shall be entitled to one-half day's pay at his regular straight-time rate for each day up to a maximum of one hundred days (100) of unused sick leave he has credited to him at the time of separation from the Borough.

2) Except as provided in paragraph (1) of this subsection, unused sick leave, injury leave and loss of time benefits are not compensable when an employee is separated.

f. The Borough reserves the right to re-examine any employee to whom payments for excused absences are being made. If the Borough physician, or the Borough insurance company's physician, certifies that any such employee is capable of performing the duties of his position, such

employee's excused absence will be terminated as of the date the employee became capable of performing his duties.

g. Each employee covered by this Agreement shall earn a lump sum payment of two hundred dollars (\$200.00) for perfect attendance during the calendar year. Perfect attendance is defined as having no absence during the preceding year. The list of employees entitled to payment will be certified by the Director of Public Works by January 15th of the subsequent year. Payment will be made in the second pay period of January.

Section 4.

Appropriate/Excessive use of Sick Leave

a. Borough management must be satisfied that sickness is bona fide. Satisfactory evidence as to sickness, preferably in the form of a certificate from a reputable physician, may be required if abuse is indicated. An employee falsely claiming sick time will be subject to disciplinary action.

b. Employees who demonstrate a continued problem with attendance will be subject to disciplinary action, up to and including termination.
